WELCOME TO AERO CITY –

THE NEW BENCHMARK OF LUXURY BROUGHT TO YOU BY

PROJECT PARTNER

Dear Patrons,

The Kohinoor Group and RR Group are delighted to present you with a futuristic offering that matches world-class standards. We have named it Aerocity – an integrated self sufficient layout that is a harmonious whole. You can live in it, have your children go to school within the gates, invest in retail spaces and have an address that is admired by all. Aerocity brings our vision of the ultimate living space to reality.

We chose Balapur as the location because it is close to the International Airport, is beautifully planned and combines contemporary architecture with historical charm. And of course, it is well connected to the ORR and other entertainment hubs. It's worth the experience.

The future has laid anchor in Balapur and is the jewel in Hyderabad's crown. See you here.

Best wishes,

**KOHINOOR GROUP
& RR Group**

Close to the RGI Airport and only 15 minutes away from the ORR, the surrounding is modern yet full of history, peaceful yet close to all amenities, exclusive yet part of a happy neighbourhood. With a carefully earmarked Master Plan for villas, institutions and commercial arcades,

Aerocity is all about harmony, balance and nature.

THE BLUE PRINT OF SUCCESS

Never-before quality standards. World-class infrastructure. Meticulous planning and architecture. Best-in-class connectivity. Aerocity demonstrates exceptional strengths in every aspect.

The genesis of this integrated living space came from the blueprint of the future, envisaged by Kohinoor Group and RR Group. A futuristic locale was chosen adjacent to the 150 feet wide Cargo Road leading to the airport. A future-ready plan was developed with superior township planning. A future-perfect lifestyle was designed with symmetrical and unified theme. And voila! **Aerocity was born as an address for jetsetters and globe trotters of the city.**

Set your imagination free over undulating open spaces. Put your body on 'Play' mode and feast your eyes on the lush green environment. The moment you step out of the villa, you will be greeted by shaded pedestrian pathways.

AERO CITY

CENTRAL PARK

THE PLACE TO CELEBRATE CHILDHOOD

We believe children deserve a life outside classrooms and textbooks. Let them learn about the birds and butterflies, flowers and seasons by observing nature around them. The Central park is a lovely space where children can engage in active sports. There are safe and well equipped play pens for the tiny tots. When children grow up in Aerocity, they will have the best memories of childhood.
